ADMINISTRATIVE NOTIFICATION LETTER (OVERFLOW PROBE)

Paragraph 1. This fixture paragraph exists to force multi-page flow and to allow inspection of widow and orphan behaviour, header and footer continuity, and paragraph splitting quality across page boundaries. The quick brown fox jumps over the lazy dog while the logistics coordinator reviews the consolidated manifest for cross-border heavy equipment mobilization. Paragraph 1. This fixture paragraph exists to force multi-page flow and to allow inspection of widow and orphan behaviour, header and footer continuity, and paragraph splitting quality across page boundaries. The quick brown fox jumps over the lazy dog while the logistics coordinator reviews the consolidated manifest for cross-border heavy equipment mobilization. Paragraph 1. This fixture paragraph exists to force multi-page flow and to allow inspection of widow and orphan behaviour, header and footer continuity, and paragraph splitting quality across page boundaries. The quick brown fox jumps over the lazy dog while the logistics coordinator reviews the consolidated manifest for cross-border heavy equipment mobilization.

Paragraph 2. This fixture paragraph exists to force multi-page flow and to allow inspection of widow and orphan behaviour, header and footer continuity, and paragraph splitting quality across page boundaries. The quick brown fox jumps over the lazy dog while the logistics coordinator reviews the consolidated manifest for cross-border heavy equipment mobilization. Paragraph 2.
