TERMS

1. Contractual Provision 1

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

2. Contractual Provision 2

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

3. Contractual Provision 3

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

4. Contractual Provision 4

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

5. Contractual Provision 5

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

6. Contractual Provision 6

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

7. Contractual Provision 7

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

8. Contractual Provision 8

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

9. Contractual Provision 9

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

10. Contractual Provision 10

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

11. Contractual Provision 11

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

12. Contractual Provision 12

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

13. Contractual Provision 13

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.

14. Contractual Provision 14

The employee shall comply with all applicable company policies, health and safety regulations, and site-specific operating procedures. This provision applies to all work sites operated by the company within the United Arab Emirates and extends to any temporary assignment, secondment, or project posting. Any breach shall be handled per the approved disciplinary matrix and UAE Labour Law. The employee acknowledges receipt of the relevant policy documents and confirms understanding of the obligations described herein.
